AuSable Valley Canoe Race This Weekend

The 1962 Annual AuSable Valley Canoe Race will start from Grayling on Saturday morning (October 6th) at 10:30 a. m. The race will be held on the AuSable River, starting from the dam at Grayling and ending at the mouth of the river at Lake Huron. The race will be held on the AuSable River, starting from the dam at Grayling and ending at the mouth of the river at Lake Huron. The race will be held on the AuSable River, starting from the dam at Grayling and ending at the mouth of the river at Lake Huron.

The first official event on the race program in Grayling will be a luncheon held at the Chief Shoppe Motor Hotel at 12:30 on Friday morning in honor of Miss Michigan, Carole Jean VanValin of Hoscocom. She will start the pole position race at Lake Margrethe later Friday afternoon and will also take part in the start of the big race on Saturday. Adjutant General of Michigan, Major General Ronald D. McDonald will serve as master of ceremonies at the luncheon at which many celebrities will be in attendance.

The canoe race for pole position will be held in South Bay of Lake Margrethe at 2 p. m. Friday afternoon. The race will have a starting line in the lake and will be held in the order in which they finished the lake race and in the same order which they will start the big run down the AuSable the next day.

When the motorcade gets to downtown Grayling, they will be met by the Grayling High School band and will parade through the city. The football game between Grayling and Boyne City will provide entertainment for the evening.

Saturday morning, the Kiwanis Club of Grayling will offer a pancake and sausage breakfast at the Grayling Country Club. The breakfast will be available at the Grayling Country Club building near the lake at 8:30 a. m. to 11 a. m.

At 10 a. m., the pre-race program will get underway and promptly at 10:30 the first canoe will hit the water headed towards Mio and Osceola on Lake Huron. Right after all canoes have started, a parade will be held back to the lawn of the Crawford County Court House by the Grayling High School band and other visiting high school bands from the area. There they will present individual and a massed concert.

From 2 until 8 p. m., on Michigan Avenue between Cedar and Peninsular, the Crawford County Auto Dealers, a division of the Crawford County Chamber of Commerce, will present an auto show featuring the new 1963 automobiles and trucks. There will be free prizes for both children and adults. From 8 to 11 p. m., a free street dance will be held in the area after the cars are removed. Music will be furnished by Grayling's Mystics.

As of Monday of this week, Race Secretary Robert Hayes stated that 10 teams had been entered for the race. This year with a pole position race determining starting position, early entries were not important. It was expected that from 20 to 30 more teams will be entered yet this week. With the color of fall at its peak, visitors to the race will not only get a thrill out of the race itself but by the show also put on by old mother nature.

First leg of the race, October 6, will be the 60 AuSable River miles from Grayling to Mio. Contestants are scheduled to leave here at 10:30 a. m. and across the intermediate finish line at Mio by 4:30 p. m.

Vikings Entertain Boyne City Ramblers This Friday Night

Grayling Vikings will entertain the Boyne City Ramblers at the Grayling Recreation Center this Friday night with the first of two games. The game will start at 8:00 p. m. The Vikings are currently in first place in the league with a record of 1-0. The Ramblers are currently in second place with a record of 0-1.

at Pellston, Grayling is at Charlevoix and Harbor Springs is at Mackinac Island. The Pellston Hornets ran just about two plays at Grayling after a draw play. The Hornets looked as though they were on the practice field as they completed pass after pass through the Vikings' leaky defense.

The Vikings scored early in the game on a five yard run by Jim Young. The Hornets moved out to a 36 to 7 lead at halftime and were never in trouble. Grayling played without the services of co-captain Chris Kroll who will be missing again Friday night. This put Grayling in a hole as Chris has been one of the Vikings' best runners and defensive backs.

Jack Harney and Eddie Robertson turned in stellar performances for Grayling on defense and end Tom Wright gathered in 5 passes during the game. Quarterback Bill Joseph and Young sparked on what little offense the Vikings were able to show.

There was some satisfaction for Grayling football buffs last week though. The Grayling junior varsity turned back the Houghton Lake Jaycees by a 20 to 0 score. The Grayling Jaycees are under the direction of Junior Varsity coach Fraser Dean.

Grayling, Michigan, Thursday, October 4, 1962

Beginning Nineteen Years . . .

With this issue, we, the publishers of the Crawford County Avalanche, begin our nineteenth year in Grayling and Crawford County. It was October 1, 1944 when the late Oscar Schuman relinquished the reins into the hands of the present owners, editors and publishers.

It has been a significant 18 years and changes have come so rapidly that it is almost hard to believe. The entire population of the county's schools today were not born as yet when we arrived here. The United States was still at war and many of the local businesses and professional people of today were serving in the far-flung war theatres in which our country was operating.

The past 18 years have seen long and rapid strides forward for Grayling and Crawford County in many areas; industrially, commercially of course, but also in education, medicine, religion, fraternal and in many other areas. But by the time another 18 years roll around, this past 18 will seem as the faltering steps of an infant compared to what will probably happen from 1962 to 1980. Grayling and Crawford County in 1980 would not even be recognized by those of us who live here now.

During the time from 1944 to the present, our two children have graduated from Grayling High School, both were united in marriage at the Michelson Memorial Church in Grayling, although both are not residents now, they return as often as possible and to them, Grayling is home.

The past 18 years here have been good ones for us and

for this we must thank the kind people of this area. We have tried to bring our residents a better weekly newspaper and although we are still not completely satisfied with it, we do feel we have made some progress. To give somewhat of an idea, the first few editions we published contained a total of 560 column inches. Today, your average Avalanche contain 1,408 column inches and on special occasion rises even to contain 2,816 column inches. In our first few months a photograph in the Avalanche was almost a rarity. Today, it is very few editions that don't carry from three to four or five photos.

We have had excellent and appreciated cooperation from the businessmen of the area and from subscribers as well. It is to them that the real thanks must go for a larger and better weekly newspaper for Crawford County.

Grayling and Crawford County has been good to us for the past 18 years and although we do not expect to be here for another 18, we do hope to continue as your editors and publishers for a few more years and earnestly hope that we may continue to bask in the same fine cooperation and aid as in the past. R. W. S.

Friday afternoon, October 6th, Grayling High School inaugurates football, after an absence of many years, with a game with Roscommon at the local gridiron. This is Roscommon's first year for football also and a close game should result. This game will feature 6-man football although it is planned that the regulation 11-man brand will be played later in the season.

Joseph Pentrack of Detroit was in Grayling last week and purchased from George Stanley and Herbert Walters the Plaza Grill restaurant. Mr. Pentrack says he will not come to Grayling for the present but will continue his business in Detroit. In the meantime the restaurant will be operated by Frank LaMotte. Mr. Pentrack is the husband of Isabelle LaMotte, daughter of Mr. and Mrs. Frank LaMotte. Mr. and Mrs. Walters and Mr. Stanley have been in Grayling for almost five years. They are splendid and highly respected citizens and we are sure they will be missed from our business circles.

Howard Granger and Lawrence Cady left on an auto trip for a two week's vacation that will take them through several southern states.

Bob Hanson of Detroit spent the weekend visiting his parents, Mr. and Mrs. Walter Hanson. He accompanied Dick Stockholm home. Mrs. Peter Robertson and son Clarence and Mr. and Mrs. Russell Robertson spent the weekend visiting the Arthur Anderson family in Saginaw.

Mr. and Mrs. Alfred Hanson, Mrs. Carl Nielson and Miss Pauline Schoonover spent Friday in Saginaw. While there they visited Miss Irene McKay.

Mr. and Mrs. Ray Gutka and son Roger of Mt. Pleasant were guests of Mr. and Mrs. Richard Lovely a few days last week. Mrs.

Gutka and Mrs. Lovely are sisters. Mr. and Mrs. Edward Mayotte spent the weekend in Black River, visiting Mr. and Mrs. Ralph Warner and family. The gentlemen were among those who tried their luck at duck hunting.

Mr. and Mrs. Norman Dawson and son Robert spent the weekend visiting in Detroit. On their return home the latter's mother, Mrs. Hulda Engel, accompanied them after spending the past three weeks visiting there.

Leo Koepfer and her mother-in-law, Mrs. Mary Koepfer and aunt Mrs. Emma Ingley of Detroit spent last week here visiting Miss Jane Ingley and brother Thomas Ingley. Mrs. Floyd McClellan and son Bob returned with them to spend a few days with relatives in Detroit.

Mr. and Mrs. Liland Smock and sons Bob and Jerry drove to Travlers City Sunday and visited friends.

Mrs. Blanche Houghton spent Sunday visiting her sister and husband, Mr. and Mrs. William Hill in West Branch.

Mr. and Mrs. William LaGrow are the proud parents of a daughter, Constance Jean, born to them Saturday, Sept. 30.

A daughter, Martha Marie, was born to Mr. and Mrs. Louis Stillwagon of Frederic, Saturday, September 30, at Mercy Hospital. Nyland Houghton has moved his family from the William Leng house on Michigan Avenue to the Jerry Sherman home. Mr. and Mrs. Sherman have moved in with their daughter, Mrs. James Bugby.

The detour on the highway to Lake Margrethe and the Military reservation isn't so good. While it is but a short distance, it is necessary to keep a keen lookout for approaching cars and usually one or the other has to get out of the track in order to pass. This detour is necessary because of the new concrete highway that is being constructed from highway M-93 to M-76. This branches off from M-93 a short distance west of the Winter Sports park. Just as soon as the new highway is open for use, the old "Lake" road with its hard surface will be taken up. This will start at the junction and continue to the new highway.

Born to Mr. and Mrs. Harry Rohde, Monday, a son, who is the third boy in the family.

A bulletin from the State Highway department states that highway M-208, running from Grayling east, will be cancelled. 17.5 miles of this highway is in Crawford County and 4.8 miles in Cheboygan County. Seven miles of this highway were built a few years ago at a cost of about \$77,000. This is the most direct highway from Grayling to the east. It is rumored that the Highway department will improve the north-river road. This would nicely replace M-208, and fill a much-needed want. This latter highway has been on the request list for at least the past 15 years. We hope that eventually there will be, as the late Chris Olsen would say,

a "north river road" running from Grayling to Harrisville on Lake Huron.

Mrs. John Selesky (Virginia Hartley) was guest of honor at a miscellaneous shower given by Mrs. Jack Clark at the home of Mrs. Minnie Hartley, Tuesday evening. Fifteen ladies, friends of Mrs. Selesky, were present and the evening was spent playing Buno and Chinese checkers. Miss Helen Cody and Mrs. Leo Lovely held the high scores. Mrs. Roger Kneff and Mrs. Patrick McKay the low scores. A

very dainty lunch was served by Mrs. Clark. Mrs. Selesky received many pretty and useful gifts.

October 5, 1916

On Monday evening of this week the large barn on the Thomas Sheridan farm near Johannesburg burned to the ground. The cause of the fire is a complete mystery. At the time the fire started, the work of filling the large silo at this barn was in progress and the fire started so

Pictured above is the "Big Mill" of the Hanson Lumber Company that was the chief employer and cornerstone of Grayling's economy for about fifty years. It was located on the west side of US-27 and south of the AuSable River where the photo was furnished to the Avalanche by Mrs. O. N. Michelson of Birmingham and summer resident of Lake Margrothe. The mill operated from before the turn of the century until 1927 when it was shut down for the last and final time.

Big Pensions In Prospect In Crawford County

(Special to the Avalanche)

NEW YORK — How good a "buy" is Social Security for the average Crawford County resident? How much is he likely to get back, after retirement, for every dollar he has been paying into the pension fund?

A study made by the Tax Foundation shows that for those who have been enrolled under Social Security for a long time and are retired or are soon to be, it is a real bargain. Most of them will get back more than \$2 for every \$1 they put in. Future generations of workers will not fare nearly as well.

Pension payments locally have already reached huge proportions. The Government's last report, released a few months ago, shows benefits to Grayling residents and to others in Crawford County being paid at the rate of \$479,000 a year.

Only a fraction of that amount, however, had been contributed to the pension fund in any one year by the retired and disabled workers who are sharing in it.

In analyzing the cost of Social Security, the Tax Foundation has figured out what it comes to for someone who is just starting to work.

Taking into account present tax rates and those scheduled for later, a 20-year-old man in Crawford County, going to work for the first time, will have contributed \$9,798 by the time he is ready for retirement, 45 years hence.

By that time, with interest at three percent, his contribution will amount to \$18,709. A like amount will be turned in by his employer.

After retiring, he will find that he and his wife, if they live a normal span of life, will collect a total of \$38,700 from the pension fund.

For the 28 young men of 20 in Crawford County's population, if they start work now and live the expected number of years, their payments will come to \$524,000, counting interest, and their maximum benefits, \$1,084,000.

For people who are now 65, Social Security has been the biggest bargain. They needed to make payments for relatively few years before they were eligible for pensions.

Move Is To Higher Income Brackets Locally

Special to the Avalanche

NEW YORK — With income on the rise for most Crawford County residents in the last year, local families have moved up the scale into higher income brackets.

By the same token, the upward has left a smaller number in the low income category. The changes are revealed in a study released by the Census Bureau, which is based on a survey of the families and whether they are in the middle, lower, or upper income brackets.

The findings indicate, in Crawford County, it is less than 41.1 percent of the households had cash incomes of \$4,000 or more. This is a decrease from the 42.1 percent in 1957. The high figure was the result of income gains locally amounting to \$1,000 a year.

The Morality of Merchandising

United States government recently seized 5,400 copies of a book from a national manufacturer, claiming it was misleading the public. The book, "The Morality of Merchandising," was written by a man known as "The Morality Man." The book is a collection of essays on the morality of merchandising, and it is being sold by a company called "The Morality Man." The government is claiming that the book is misleading the public by claiming that merchandising is a moral activity. The book is being sold for \$1.00 a copy. Mr. Don Whitney, manager of the Danbury Drive-In Theatre, is presenting a special showing of "The Young Man with the Horn," a full-length Technicolor musical pre-empted by the theatre at Mio. Many people of Mio have seen this film at the Danbury Drive-In and requested it for a special showing.

The story is based on the life of the famous jazz musician, Louis Armstrong. He was born in New Orleans, La., and rose to be one of the great jazz musicians of the world. The story is told in a simple, straightforward manner, and is a most interesting and entertaining picture.

The film is being shown at the Danbury Drive-In Theatre, Danbury, Conn., and is being shown at Mio for a special showing.

The Morality of Merchandising

The United States government recently issued 5,400 jars of instant coffee from a national food manufacturer for advertising to the public on the labeling of its F. C. Welsh products.

Governments in other countries have claimed that the company was charging more for its "Giant Economy Size" per ounce than for its regular size — about 15 percent more. The company's advertising in the jar tended to mislead the buyer into thinking that the large size paid a bonus in economy when in fact the opposite was true.

When the government about this action was taken against the company — known as the "Giant Economy Size" — the company's advertising in the jar tended to mislead the buyer into thinking that the large size paid a bonus in economy when in fact the opposite was true.
